November 28, 2016

Honorable Tina Miceli, Mayor
City of Harahan, Louisiana
6437 Jefferson Hwy.
Harahan, LA 70123

Dear Mayor Miceli:

As certified public accountants licensed to practice in Louisiana, we are pleased to confirm our understanding of the services we are to provide the City of Harahan, Louisiana (the "City") as of and for the years ending December 31, 2016 through 2020.

We will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of the City as of and for the years ending December 31, 2016 through 2020.

Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as Management's Discussion and Analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis
- 2) Budgetary Comparison Schedules for Major Funds
- 3) Schedule of Proportionate Share of the Net Pension Liability
- 4) Schedule of Contributions to Defined Benefit Pension Plans

We have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole:

- 1) Combining Non-major Proprietary Fund Financial Statements.
- 2) Schedule of Compensation Paid to City Council Members
- 3) Schedule of Compensation, Benefits, and Other Payments to Agency Head
- 4) Schedule of Expenditures of Federal Awards

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on—

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that the purpose of the report is solely to describe (a) the scope of testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance, (b) the scope of testing internal control over compliance for major programs and major program compliance and the result of that testing and to provide an opinion on compliance but not to provide an opinion on the effectiveness of internal control over compliance, and (c) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance and *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* in considering internal control over compliance and major program compliance. The paragraph will also state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and other procedures we consider necessary to enable us to express such opinions and to render the required reports. Our audit will comply with the provisions of Louisiana Revised Statute 24:513 and the provisions of the Louisiana Governmental Audit Guide, published jointly by the Society of Louisiana Certified Public Accountants and the Louisiana Legislative Auditor.

Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements or the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards compliance opinions are other than unmodified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement. Should such situation arise, we will notify you and the Legislative Auditor.

We will use professional judgment in determining the standards that apply to the work to be conducted. If this engagement will not satisfy the requirements of all audit report users, laws, and regulations, we will notify you as soon as this comes to our attention. We will then submit another engagement letter for your approval that complies with the applicable requirements and will seek approval of the Legislative Auditor for the engagement. We will consider all standards that may apply, but in particular, we will determine whether a different type of engagement is needed based on:

- State of Louisiana's audit law.
- Audit requirements of Government Auditing Standards.
- Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards when federal award expenditures equal or exceed \$750,000 for the fiscal year.
- Bond requirements, either to issue bonds or as a bond indenture provision.
- Other contractual requirements.

Management Responsibilities

Management is responsible for the basic financial statements and all accompanying information as well as all representations contained therein. Management is also responsible for identifying government award programs and understanding and complying with the compliance requirements, and for preparation of the schedule of expenditures of federal awards in accordance with the requirements of *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. As part of the audit, we will assist with preparation of your financial statements, schedule of expenditures of federal awards, and related notes. You are responsible for making all management decisions and performing all management functions relating to the financial statements, schedule of expenditures of federal awards, and related notes and for accepting full responsibility for such decisions. You will be required to acknowledge in the written representation letter our assistance with preparation of the financial statements and schedule of expenditures of federal awards and that you have reviewed and approved the financial statements, schedule of

expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. You agree to assume all management responsibilities for any nonaudit services we provide; oversee the services by designating an individual, preferably from senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Management is responsible for establishing and maintaining effective internal controls, including internal controls over compliance, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met and that there is reasonable assurance that government programs are administered in compliance with compliance requirements. You are also responsible for the selection and application of accounting principles; for the fair presentation in the financial statements of the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City and the respective changes in financial position and, where applicable, cash flows in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for ensuring that management is reliable and financial information is reliable and properly recorded. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it is necessary to obtain audit evidence.

Your responsibilities also include identifying significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information. Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the government involving (a) management, (b) employees who have significant roles in internal control, and (c) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. Additionally, as required by *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, it is management's responsibility to follow up and take corrective action on reported audit findings, and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review by April 1st.

You are responsible for preparation of the schedule of federal awards in conformity with *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon OR make the audited financial statements readily available to intended users of the schedules of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (a) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*; (b) you believe the schedule of expenditures of federal awards, including its form and content, is fairly presented in accordance with *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*; (c) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (d) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (a) you are responsible for presentation of the supplementary information in accordance with GAAP; (b) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (c) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (d) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any fraudulent financial reporting, misappropriation of assets, or material abuse that come to our attention, and will also notify the Legislative Auditor in writing. Furthermore, should we become aware of fraud or misappropriation of assets, we shall also notify the appropriate enforcement agency, including the local district attorney and sheriff. We will also inform the appropriate level of management of any material errors or violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required by *Government Auditing Standards*, the Louisiana Governmental Audit Guide, and *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may invoice you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a

direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with applicable laws and regulations and the provisions of contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* for the types of compliance requirements that could have a direct and material effect on each of the City's major programs. The purpose of these procedures will be to express an opinion on the City's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Audit Administration, Fees, and Other

An opinion (or disclaimer of opinion) as to whether the financial statements are presented fairly in all material respects in conformity with accounting principles generally accepted in the United States and, when applicable, an opinion (or disclaimer of opinion) as to whether the schedule of expenditures of federal awards is presented fairly in all material respects in relation to the financial statements taken as a whole. It is our understanding that these statements will include a schedule of compensation paid to the city council members, a schedule of compensation, benefits and other payments paid to the Agency Head, and a schedule of expenditures of federal awards (if applicable).

The schedule(s) will be reviewed as part of our audit in an attempt to provide supplemental information assurance on these schedules as part of our audit report.

1. A report on internal control and compliance with laws and regulations material to the financial statements and, when applicable, major federal programs. This report shall describe the scope of testing of internal control and compliance, the results of the tests, and, where applicable, refer to the separate schedule of findings and questioned costs. The state laws and regulations included in this report shall include all of the compliance matters included in the Louisiana Compliance Questionnaire.
2. A report on internal control and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on major federal programs. The report will include an opinion (or disclaimer of opinion) as to whether you have complied with laws, regulations, and the provisions of contracts or grant agreements which could have a direct and material effect on each major program, and, where applicable, refer to the separate schedule of findings and questioned costs.
3. If applicable, a summary schedule of findings and questioned costs.
4. If applicable, a summary schedule of the current status of any prior findings, which you will prepare.
5. Management's corrective action plans, which you will prepare.
6. If applicable, a management letter to convey suggestions and recommendations not suitable for the foregoing reports. We will ask you to respond to any matters included in the management letter and include your response as a part of the issued management letter, or you may place your response to these matters in your corrective action plan.

We will assist you in the preparation of the data collection form and sign, or disclaim, the form. In the preparation of the form should there be any material disagreements, we reserve the right to refuse to sign the form and report such matters to the appropriate federal officials and the LLA.

Either the auditor or the City shall send a copy of the report, any management letter, and management's corrective action plan, if applicable, to each member of the governing board, each federal grantor agency providing direct federal assistance and the federal cognizant agency, and to each state grantor agency and any state cognizant agency, if applicable.

It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) to the federal audit clearinghouse.

Our audit will include a review of any prior-year suggestions and recommendations and will indicate the extent to which the summary schedule of prior year audit findings is fairly stated. As to any current-year recommendations and suggestions, we will afford you the opportunity to respond to such matters and will include your response(s) in management's corrective action plan.

The audit documentation for this engagement is the property of Carr, Riggs, & Ingram, LLC, and constitutes confidential information. However, the audit documentation shall be available for inspection by the Legislative Auditor, any successor auditor, and/or any organization authorized by the Louisiana State Board of Certified Public Accountants to perform audit documentation reviews as part of a quality assurance program. We will follow the Legislative Auditor's policy regarding confidentiality of audit/ engagement documentation found at Section 350.02 of the Louisiana Governmental Audit Guide when giving access to audit documentation to any parties other than those previously named individuals and organizations.

Should we become aware of any illegal acts, we shall make our audit documentation available to the local district attorney or any other state or federal enforcement or regulatory agency without liability. The audit documentation shall be retained by Carr, Riggs & Ingram, LLC for a minimum of five years after the issuance of the report.

Subsequent to the issuance of the report, should it be necessary to alter or reissue the report and any management letter, the reissued report and/or management letter will be distributed in the same manner as the original report.

We expect to begin our audit in April of each year and to issue our reports no later than June 30th of each year.

Becky Hammond, CPA, CISA, CITP, CGAP is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another partner to sign. It is our understanding that you have assigned Linda Lulue, City Accountant, of your staff as your representative during the engagement.

Our fee will not exceed \$32,000 plus \$5,000 for each Single Audit program tested for the year ending December 31, 2016, \$33,000 plus \$5,000 for each Single Audit program tested for the years ending December 31, 2017 and 2018, and \$34,500 plus \$5,000 for each Single Audit program tested for the years ending December 31, 2019 and 2020. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our Firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

The LLA will be notified immediately, in writing, if our audit is cancelled or if there are any significant disagreements. The LLA will be notified, immediately, in writing if there are any changes in this agreement or if there are any restrictions placed on our staff during the audit that would impact the scope of the audit, which includes the failure to produce required records in a timely manner, or the nature of the tests required under the previously discussed standards. If federally-assisted programs are involved, we are required to notify (the cognizant or oversight agency).

During the course of our audit, it is possible that we may observe opportunities for economies of operation and for improved internal administrative and accounting controls, or we may observe

variances with applicable laws and regulations or other matters that should be brought to your attention. Our comments and recommendations concerning such matters, if any, will be conveyed to you in writing.

You may request that we perform additional nonattest services not contemplated by this engagement letter. If this occurs, we will communicate with you regarding the scope of the additional services and the estimated fees. We also may issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

Under the provisions of *Government Auditing Standards*, our ability to provide nonattest services may result in an impairment of our independence, and therefore may be limited for the duration of this engagement and for the period covered by this engagement. We will consult those standards and the LLA to determine whether such an impairment exists, prior to the performance of any nonattest services.

These limited procedures may not meet the needs of all users of audit reports, who may require additional information and assurances on internal control and compliance with laws and regulations. In accordance with *Government Auditing Standards*, you should consider whether additional testing of controls and compliance are necessary to supplement the financial statement audit's coverage of these areas and to meet the reasonable needs of report users. These additional needs are quite often met in the following two ways:

- o Supplemental (or agreed-upon) procedures or
- o An examination resulting in an opinion.

We are available to discuss the expanded needs of report users, the nature of this expanded work, and the degree to which these type examinations, or other examinations, will meet the needs of the City and its report users.

External Quality Review

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letter so comment received during the period of the contract. Enclosed in the attached Exhibit is our last external quality review, dated January 31, 2014.

Other Services

We will also assist in preparing the financial statements and related notes of the City in conformity with U.S. generally accepted accounting principles based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*.

Dispute Resolution

In the event of a dispute between the parties which arises out of or relates to this contract or engagement letter, the breach thereof or the services provided or to be provided hereunder, and, if the dispute cannot be settled through negotiation, the parties agree that before initiating arbitration, litigation or some other dispute resolution procedure, they will first to try in good faith to resolve the dispute through non-binding mediation. The mediation will be administered by the American Arbitration Association under its *Dispute Resolution Rules for Professional Accounting and Related Services Disputes*. The costs of any mediation proceedings will be shared equally by all parties.

Electronic Data Communication and Storage and Use of Third Party Service Provider

In the interest of facilitating our services to the City, we may send data over the Internet, securely store electronic data via computer software applications hosted remotely on the Internet, or allow access to data through third-party vendors' secured portals or clouds. Electronic data that is confidential to the City may be transmitted or stored using these methods. We may use third-party service providers to store or transmit this data, such as, but not limited to, providers of tax return preparation software. In using these data communication and storage methods, our firm employs measures designed to maintain data security. We use reasonable efforts to keep such communications and data access secure in accordance with our obligations under applicable laws and professional standards. We also require our third-party vendors to do the same.

You recognize and accept that we have no control over the unauthorized interception or breach of any communications or data once it has been sent or has been subject to unauthorized access, notwithstanding all reasonable security measures employed by us or our third-party vendors. You consent to our use of these electronic devices and applications and submission of confidential client information to third-party service providers during this engagement.

To enhance our services to you, we will use a combination of remote access, secure file transfer, virtual private network or other collaborative, virtual workspace or other online tools or environments. Access through any combination of these tools allows for on-demand and/or real-time collaboration across geographic boundaries and time zones and allows CRI and you to share data, engagement information, knowledge, and deliverables in a protected environment. In order to use certain of these tools and in addition to execution of this acknowledgement and engagement letter, you may be required to execute a separate client acknowledgement or agreement and agree to be bound by the terms, conditions and limitations of such agreement. You agree that CRI has no responsibility for the activities of its third-party vendors supplying these tools and agree to indemnify and hold CRI harmless with respect to any and all claims arising from or related to the operation of these tools. While we may back up your files to facilitate our services, you are solely responsible for the backup of your files and records; therefore, we recommend that you also maintain your own backup files of these records.

Approval

We appreciate the opportunity to serve the City of Harahan, Louisiana and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

In accordance with the provisions of state law, this engagement agreement must be approved by the LLA prior to commencement of our audit. Upon your signature and approval, we will seek approval of this engagement from the LLA.

Sincerely,

Carr, Riggs & Ingram, L.L.C.

CPAs & BUSINESS ADVISORS

System Review Report

January 31, 2014

To the Partners of Carr, Riggs &
Ingram, LLC and the National Peer
Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Carr, Riggs & Ingram, LLC (the firm) applicable to non-SEC issuers in effect for the year ended June 30, 2013. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As a part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under *Government Auditing Standards*; audits of employee benefit plans, and audits performed under FDICIA.

In our opinion, the system of quality control for the accounting and auditing practice of Carr, Riggs & Ingram, LLC applicable to non-SEC issuers in effect for the year ended June 30, 2013, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency (ies)* or *fail*. Carr, Riggs & Ingram, LLC has received a peer review rating of *pass*.
