

PHOTOGRAPHY AGREEMENT

Between MillerFoto of Kenner, LLC (MillerFoto) and The City of Harahan (Harahan)

The intent of this agreement is to provide MillerFoto exclusive access to photograph Sports Team & Individual pictures from all sports and cheer – May 1, 2018 thru April 31, 2021. In return for this exclusive access, MillerFoto will provide HARAHAN a sales commission as outlined below.

Exclusivity Agreement, Description of Photography Services and Commission Schedule

MillerFoto shall be the exclusive photographer for The Harahan Recreation Department. MillerFoto will take Team and Individual pictures and provide a variety of Photo Packages for purchase. HARAHAN will notify coaches that all teams and players will be required to participate in Photo Day and that no other photographer, (including parent photographers) will be allowed to solicit teams or players, in any manner for the purpose of taking or selling photos as long as this agreement is in place. MillerFoto will pay a commission to HARAHAN of 10% of the net sales (gross sales minus sales tax) on any Photo Package purchased.

Photo Day and Make Up Photo Days

Each season will have one dedicated Photo Day at which all Team and Individual photos for that sport will be taken. Our preference is right before the league starts, no practice or game days. For outdoor sports, HARAHAN will make available the gym in case of bad weather so Photo Day does not have to be cancelled. All photos will be moved inside using an appropriate backdrop. Make up photo day will be scheduled after the initial photos are taken. Photos will mailed within a 3 week period.

HARAHAN Responsibility – Game Schedules and Team Rosters

HARAHAN will include the Photo Day, Time, Etc information with any information distributed to Coaches or Parents during registration, draft, coaches meetings and on it's website/social media pages. HARAHAN will provide MillerFoto with Team Rosters, no later than two weeks prior to photo day. Receiving this information in advance allows us to properly schedule teams and staff photo day. Rosters shall include coach name, phone number and email address and all player contact information.

Confidentiality

MillerFoto understands the sensitive nature of the information we receive from our leagues and parents. All information is kept in the strictest of confidence and is never shared except back to HARAHAN if requested. To save you time from printing the team rosters, some leagues allow us access to their registration system like Sports Sign Up, League One or Got Soccer to download team rosters and to help notify parents of photo day information.

Fence and Gym Banners

MillerFoto will supply HARAHAN (at no charge, as long as this agreement is in place) a 3'x 8' Banner of any Parish Wide (or higher) Team Championship Banner. HARAHAN Agrees to allow MillerFoto to place a Logo Banner up to a 4'x 8' at each field and one in the Gym.

Free Coach Photos

MillerFoto will provide each Head Coach a complimentary 5x7 of them and their child with any purchase. Head Coach without a child on the team will receive a complimentary 5x7 Team Photo per request.
