applying a set of evaluation criteria to each proposal. Each criterion will have a points value applied to it and the total points for each proposal will not exceed 100. Each proposal shall be evaluated and assigned points based on cost presented, firm's qualifications, technical capabilities and financial status. A summary of the evaluation criteria points is below.

#### Summary of Evaluation Criteria Points

Criteria	Maximum Points
Cost of Services	35
Proposer's Qualifications	30
Technical Capabilities/Equipment	30
Financial Status	5

#### Cost

Lowest Total Annual Cost will receive the maximum points.

#### Proposer's Qualifications

Maximum points will be awarded for qualifications with the best program narrative, reviewable information and confirmable references.

#### Technical Capabilities/Equipment

Maximum points will be awarded for technical capabilities/equipment to proposers that provide a complete complaint management policy and commit to the newest equipment, carts, and bins with trucks no larger than 27 yard capacity and rear loading capability, including required spares and back-ups

#### Financial Status

Maximum points will be awarded for Financial Status to proposers that provide all of the required list of contracts and financial information.
