

**ADDENDUM NO. 1**  
**Request for Qualifications for**  
**Architectural/Engineering Services for the Wind Retrofit Program**

The City of Harahan received the following questions regarding the City's Request for Qualifications for Architectural/Engineering Services for the Wind Retrofit Program:

Question #1 – Does the scope of work also include the administration of the grant for the City, or will that be handled by other parties?

***The City will handle the grant administration through other parties.***

Question #2 – Does the City intend to revise its evaluation criteria to comply with State Law?

***The City will address this item with this addendum to the RFQ.***

Question #3 – Do the points applied for location in Harahan demonstrate a restrictive criteria?

***The City does not believe that this is a restrictive criteria.***

Question #4 – Has the Non-Federal Share been appropriated/dedicated by the City for these projects?

***The City has committed to the required Non-Federal Share of the program.***

Question #5 – Has the City secured a time extension to the Period of Performance, or has the City notified GOHSEP that a time extension will be requested?

***The City has not secured an extension but is seeking one from GOHSEP.***

**On Page 2 of the RFQ delete Item 4 in its entirety and replace with the following:**

**“4) Hourly Rate Schedule (to provide Cost Reasonableness) – 10 Points”**
